How to find us

Very important:

Please do not confuse our location with the Fischmarkt, which is located on Grosse Elbstraße (approx. 300m away from us).

Public transport

From the HBF (main station) take the **S-Bahn S1 in the direction of Wedel or the S3 in the direction of Pinneberg**, get off at the station **Reeperbahn** and take the exit in the direction of travel of the train. Go down the street Pepermölenbek to the Elbe, turn left into Sankt Pauli Fischmarkt and after about 6 minutes walk you will reach us.

With the **bus number 112** you can go from the HBF/Spitalerstraße to **the bus stop Hafentreppe**. From there you walk approx. 3 minutes in driving direction to us.

Car

Coming from the east, drive past the Landungsbrücken and continue along Sankt Pauli Hafenstraße for about 800 m. The Consensa building is next to a round building, a school gym.

You can park at the street or 300 m further on at the fish market at the Große Elbstraße.

Coming from the west via Altona take the street Palmaille, which turns into Breite Straße. Following the street you reach the Sankt Pauli Fischmarkt, Consensa is located after approx. 200m on the left side.

Parking in your direction is best at the Fischmarkt on Grosse Elbstraße, where you turn right from Breite Straße. From there after approx. 200 m walk along the Elbe (the Elbe is to your right) you are there. Our office is two houses away from the restaurant Fischerhaus.
